Weidt's Tenor Banjo Collection

THE most popular and valuable collection of tenor banjo solos ever published. This is the verdict of thousands of teachers and players of the tenor banjo who are using the famous Weidt Tenor Banjo Collection. The latest volume (No. 5), just issued, contains compositions of ten well known composers besides Mr. Weidt, but the numbers are arranged in the clean-cut banjoistic style for which the name of Weidt is so well known, with full harmony, fill-ins, counter melody and professional rhythm strokes.
