# Weidt's Tenor Banjo Collection

## Fifteen Solos in Each Volume

With Full Harmony, "Fill-ins," Counter Melody  
and Professional Rhythm Strokes

THE compositions and arrangements are mostly by A. J. Weidt, author of the famous Weidt's Elementary Studies for the fretted instruments, Weidt's Chord System, etc., and America's most prolific and successful tenor banjo composer and harmonist.

The volumes now published offer a large repertoire of melodious, practical, and *playable* solos of wide variety. All numbers complete and effective as unaccompanied solos. The specially prepared piano parts (not just ordinary piano accompaniments) are replete with counter melodies and other interesting effects.
